

THE MONTHLY PUBLICATION OF THE PACIFIC NORTHWEST FOUR WHEEL  
DRIVE ASSOCIATION

June 2019

[www.pnw4wda.org](http://www.pnw4wda.org)

A Message From Your President

Summer is here and Trail Jamboree is just around the corner. This is the major fundraiser for the PNW4WDA each year. We hope that you will come check it out and enjoy all the great people, food, and trails that are showcased. We also have an excellent raffle with lots of amazing prizes. If you would like to donate an item for the raffle, please contact our chairperson Teresa Kosel.

Your comp committee and lots of volunteers did a total re-work of the Ethel Events Center facility for this competition season. It has been a big success, and everyone seems happy with the changes. Please come out and support this summer and see what the fuss is all about.

Summer Convention hosted by County Line will be at the Ethel Events Center the third weekend in August. Come check it out. The new drag strip is a success with lots of shut down, so I hope to see some of the drag rigs come out of retirement to play with us... Registration is open and available online so sign up today.

Please remember that the fall delegate's meeting is in September in Longview, WA. This is an important meeting where your board and your club delegate's work hard to support, promote, and grow this association. I can't wait to see all your delegates there.

I hope you all have a safe and happy summer. See you out there!

-Kyle Wiebold

PNW4WDA President.

## Region 1 Delegates Meeting

June 19, 2019

The meeting was called to order by Region 1 Director Dave Taylor at 7:09 PM. There were 7 delegates and 4 officers present, representing 5 clubs.

Guests: None.

### Secretary Report:

\* The May 2019 minutes were moved, seconded and accepted as printed in the February Tri-Power and on the Yahoo List.

### \* Directors Report:

#### \* June 2019 Board Meeting

+ Not much new other than carry-over from the prior meeting.

+ Still working on a memorial for Arlene Brooks

o Angie Marek is working with the Park in Ocean Shores to try to get a plaque made and displayed.

#### o Treasurer's Report:

\* As reported on the Balance Sheet and Profit-Loss Statement provided at the meeting.

+ Moved, seconded and accepted as printed on separate report

\* Noted that we have completed the transfer from BoA to BECU.

+ Discussion on whether to move funds into a CD or leave them in the Savings Account; decided that the Savings Account likely serves us better.

### Land & Legislative:

#### \* Walker:

+ No direct report; essentially the same as last month

+ Some work parties are happening (especially Around the Sound Jeep Club, which has been very faithful in working on the trails.)

+ Some preliminary discussion for a possible joint Education and Enforcement event with Rainier Ridge Rams and Timber Tamers, but this will need to wait until after Reiter Rock Challenge, Expo and OSP. Possibly in October or November?

#### \* Reiter:

+ Just hired a new seasonal Equipment Operator for trail work.

+ Currently no changes in the overall plans for Reiter Foothills

o The biggest point of discussion and potential contention regards designation of the parking lot area as multi-user versus multi-motorized-user parking.

- o We have a concern that without posting that the designated parking is for motorized users, it will be overrun by the non-motorized users who will park in a way that motorized users will not be able to park (due to not leaving enough area for trailer, etc.)
- o Also noted that there is a need for safer parking for boulder climbers, and the areas the boulder climbers use are not in the same area as the motorized users park.
- o There is a concern that nothing will happen, and that there will be problems and conflicts.
- o There has been some tentative agreement from DNR that there does need to be a designation for motorized and non-motorized parking to avoid problems. Regardless, enforcement will need to be a DNR responsibility.

#### Competition:

- \* Joe May reported.
- \* Region 1 tryouts are this weekend (June 22) at Ethel from 9:00 AM-6:00 PM
- \* August 16, 17 & 18 at the Summer Convention.
- \* Landowner requirements at Ethel are for 4-point roll cages in all participating vehicles and will not allow for full-size and SxS vehicles to be on the course at the same time due to safety considerations.
- \* Discussion of T-shirts for Region 1 at the Summer Convention.
- + Motion to allot up to \$350 for 10 T-shirts (5 men, 5 women). Seconded and passed.
- + Noted that other competitors may order T-shirts, but they would need to purchase the shirts themselves; the T-shirts provided by Region 1 are only for the top 5 male and top 5 female competitors.
- \* Much discussion on the relationship of Competition for growing the PNW membership
- + Noted that last year, competition drew in about 30 new people, however only about 3 of them actually joined PNW (not just Region1).
- + Not all competitors are PNW members.
- + Needless to say, we would like to encourage PNW membership!

#### Club Power/ We Did it/ Quill Power:

- \* If anything, please forward to Angie Holm of Happy Campers Club. [aholm02@hotmail.com](mailto:aholm02@hotmail.com) (<mailto:aholm02@hotmail.com>) .
- \* On these forms, the most important item for the Forest Service is the Hours Worked. This is important to report the volunteer hours we give.

\* The form is available on the PNW Website. The form needs to be printed out, SIGNED, then scanned and e-mailed to be submitted back to Angie.

#### Membership:

\* Jim Epoch had no report.

#### PR:

\* Jim Epoch noted that Nitto Tire declined to be a sponsor for RRC this year, but may extend a sponsorship next year

\* Dave Taylor has a connection for some promotional items that he will forward to Jim.

#### Sunshine:

\* Please contact Jennifer Hayter of Dirty 13 ( [jhayter14@hotmail.com](mailto:jhayter14@hotmail.com) (mailto:jhayter14@hotmail.com) ) if cards need to be sent out.

#### Club Report:

\* Wandering Willys hosted the meeting this evening.

\* They have been a club since 1969

\* Currently 38 members, including two who were also founding members of the PNW\

\* They attend the Trail Jamboree every year, and have done the Sunday breakfast at Trail Jam for the past 30 years

#### Region Report:

\* OSP:

+ For 2019 will be September 20 and 21, 2019.

+ Plans are still moving along

\* Northwest Off-road Expo:

+ For 2019 will be September 28,2019

+ At the new site (the "Dirt Farm", aka "The Plant") this year—across the valley from Thomas Family Farm where it has been the past few years. (More space and greater flexibility with the space.)

+ Much discussion over whether Competition Group will offer/construct/operate a type of barrel competition at Expo. Joe May will explore this with the Region 1 competitors.

Old Business:

- \* Facebook Group information; Rudi was not able to attend tonight's meeting; will likely have a report at our next Region 1 Delegate meeting.
- \* Reiter Rock Crawl (RRC) planned for July 20 at Reiter.
- + Plans going well.
- + Ed from Wandering Willys will discuss it at their club meeting.
- \* Awning is happening!
- + Still looking to get banners together for it.
- + Would like to have logos from each Region 1 club for the banner
- + All Region 1 Clubs, please send a copy of your Club Logo to Dave Taylor <dt.Taylor@frontier.com (mailto:dt.Taylor@frontier.com) > in Vector File Format so that he can get your logo printed on the banner for the Region 1 awning!

New Business:

- \* No items

Good of the Order:

- \* No items.

Raffle:

- \* Ed B from Wandering Willys won the raffle prize of an inclinometer/tilt gauge.

Hosting Schedule:

July 17 <sup>th</sup>	Washington Bobtails
August 21 <sup>st</sup>	Doo Wop Ditty
Sept 18 <sup>th</sup>	Dirty 13
Oct 16 <sup>th</sup>	Happy Campers
Nov 20 <sup>th</sup>	Outdoor 4x4
December	No meeting (Happy Holidays!)

Upcoming Events:

1. July 10-14, 2019 Trail Jamboree at Jim Sprick Park
2. July 20, 2019 3<sup>rd</sup> Annual Reiter Rock Crawl at Reiter Trails
3. August 2019 Summer Convention (County Line)
4. September 14, 2019 Fall Delegates (hosted by Region 3 in Longview)
5. September 20-22, 2019 Pick Up A Mountain hosted by Region 4
6. September 20-22, 2019 Ocean Shores Clean-up

7. September 28, 2019 NW Off-Road Expo
8. December 7, 2019 Board meeting (hosted by Region 3 in Longview)
9. February 2020 Winter Convention (hosted by Region 6)
- 10.

Walker Trail Work Parties are every 2<sup>nd</sup> Saturday of the month

Reiter Trail Work Parties are every 4<sup>th</sup> Saturday of the month

Upcoming More Events: Please see PNW4WDA.com for upcoming events and discussions

Meeting Adjourned at 8:22 PM

Submitted by

John Vandergrift (Timber Tamers)

Secretary

Region 2 Delegates Meeting

June 20<sup>th</sup>, 2019

Called to order by President Brandon Marek at 7:31 P.M. followed by flag salute and moment of silence.

Secretary's Report: Motion was made and seconded to accept report as written. Thank you!

Treasurer's Report: Lora Jungmayer provided a written treasurer's report. Motion made and seconded to accept report as written.

Club Power/We Did It: Make sure to get all your forms in please. You have the online option or turn it directly into either Angela Holm (Association level) or Megan Laurent (Region level).

Naches: There is STILL snow up there! June 29<sup>th</sup> and 30<sup>th</sup> there will be a work party.

Evans Creek: Work party coming up this weekend. Little bit of rock needing to be hauled. There is lots of trails to be ran and chili dogs for lunch! Come on up!

Elbe Hills: Next work party is July 13<sup>th</sup>.

Tahuya: Quadrapaws fun run was a big hit. Thanks to everyone that came out. Had a really good show out. 122 rigs showed up. Big thank you from Quadrapaws to everyone that showed!

Land Matters: Still looking to fill this position. Please make sure to take it back to your club. Nothing to report.

Letter Writing: No report

Membership: Nothing new to report

Ways and Means: The merchandise trailer will be at Summer Convention; Jamboree and many more events so make sure to talk to Tiffany Morris and pick up some sweet PNW gear!

Public Relations: Nothing to report

Future 4-Wheelers: Still looking to fill this position. Take it back to your club kiddos and find someone to take this on!

Competition: Next race is July 6<sup>th</sup> and 7<sup>th</sup> and put on by the Outdoor 4x4's. Check your calendars and come on out for a good time! Make sure your rig is up to par. Comp rules are on the PNW website. As for Summer Convention...you can now pre-register online (Check out County Line Offroader's Facebook page) and get your gear! Also putting out a reminder about the camp trophy this year! The theme is 'Racing Through the Decades'. CLO is challenging you to pick a decade and go crazy on decorating!!

Region 2 Fun Run: Still looking for some donations. Still looking for man power for registration and raffle as well.

Roll Call: Verbal

Old Business: OSP will be at American Sunset RV and Tent. Its right in town. The facility can accommodate up to 51' in stalls. If you are over 51' there is a trailer area to store if you're too long. Prices will be \$70 for an RV site and \$40 for tent sites. No doubling up in sites. No tents in RV section. This year we got to keep in mind that it's not just us in the campground due to another event that is being hosted. There is going to be a strict noise curfew put in place as well. Michelle Flowers or Joy Mehr are taking reservations for camping and shirts. Keep an eye on the Webfooter's website for any more announcements.

Trail Jamboree is full, and everything is looking good. Always looking for more raffle prizes.

New Business: Nothing to report.

Announcements:

Outdoor 4x4 Race-Ethel-July 6<sup>th</sup> and 7<sup>th</sup>

Redneck and Rugrats Fun Run-July 13<sup>th</sup>

Fun in the Sun-Buckley Logshow Grounds-July 20<sup>th</sup>

Next meeting: July 18<sup>th</sup>, 2019 @ 7:30 P.M.

Meeting adjourned at: 7:52 P.M.

Respectfully submitted by: Megan Laurent

Region 3 Meeting Minutes

June 19, 2019

Papa Pete's Pizza

Region 3 Director Kristin Smith called the meeting to order at 7 pm, followed by the flag salute and a moment of silence.

Attendance: Flat Broke and 4 Wheelin, Our Gang Off Road, PNW Individual Members, Hubs In, Sand Fleas, Mud Puppies, Trail Breakers and Vancouver 4 Wheelers. Guest: Doug VanDyke.

Motion made seconded and passed to approve the minutes of the May meeting.

Officer reports: Kristin shared copies of the June 6, 2019 Board of Directors Teleconference Call.

President Kyle promised if elected for 2020, the June Board of Directors meeting will not be a teleconference.

Treasurer's report was presented and accepted.

Competition Chairman: Moonshiners was a great event. Region 3 member, Jessica Allen took 1<sup>st</sup> in the barrels. Track was muddy but lots of fun. RPM had no roll overs on Saturday, at their event but 11 roll overs on Sunday. 4 At a Time event will have the Region 3 runoffs for region team. Summer Convention is the third weekend in August, hosted by Countyline 4 Wheelers.

Oregon land matters: Cedar Tree extension is open to the bottom entrance of the Crushers. Continue to work on getting loops. Also working on the 3<sup>rd</sup> section of Powerline trail. The second section of the Powerline has been cancelled.

Washington land matters: John Pardee is organizing a "Flash Mob" rally to Salem.

Operation Shore Patrol—Washington Executive Director is having a "best practices" get together for the 3 region chairmen and the 3 region directors to discuss the issues. Tony and Kristin will be attending the meeting June 23<sup>rd</sup>.

Paula moved for Region 3 to pay gas money for the Operation Shore Patrol meeting at Lisa's house. Tom seconded and the motion passed.

Don moved that if Tony wants to turn in gas bill for travel to the beach to set up Shore patrol, it will be at his discretion. Motion seconded and passed.

Tony gave a report on the Rose Parade.

Marty moved to spend \$300 to purchase a door prize for the Trail Jamboree. Motion seconded and passed. Don will negotiate with Wood's Logging for a door prize.

Region Director will send out information on the Fall Delegates Meeting.

Upcoming events:

July 10-14 Trail Jamboree at Jim Sprick Park, Naches. Washington

August 15-16 Summer Convention Ethel, Washington

September 14 Fall Delegates Meeting Moose Lodge in Longview, Washington

With no further business the meeting was adjourned

Carol Jensen

Region 3 Secretary.

Region 4 Meeting Minutes

June 11, 2019

Selah, Washington

Meeting was called to order by Region Director John Thompson at 7:34pm. Flag salute and moment of silence followed.

Secretary's Report: John Thompson entertained the motion to accept the minutes from last meeting. Sande Nettnin said she would motion if the correction of Milk Creek was added into the minutes. Dale Neuman seconded the motion. Motion passed.

Treasurer's Report was read. The Porta Potty was approved at last meeting. Ron Rutherford (Jeepin Nomads) said it was a use now, pay later. The check will be given to Ron to forward to the correct company.

Competition: Kevin and Terri Mohan requested \$200 for competition shirts. Sande Nettnin motioned, and it was seconded by Gary Harting (Desert Rats). Motion passed.

There was a large turnout for the first racing event on Memorial Weekend at Toppenish. It was the first race on the new and improved race track. Track was completed Friday just in time for racing. The Moonshiners did a good job and the timing lights worked as expected. There are Region 4 tryouts on July 6<sup>th</sup> and July 7<sup>th</sup>. The times on the obstacle course will qualify you for the summer convention.

Club Power/We did It: The total man hours for the Liberty Work party was 1174 hours with a total mileage of 1952 miles driven. This does not include the Hurtin Units who directly submit their information to Mikki Douglas. At last meeting it was brought up that some people are unable to access the forms due to computer or log in issues. Gary Harting will print out forms and can send them to members unable to access them on the website.

Land Matters: Field trips coming up for Little Naches on July 17<sup>th</sup> to 18<sup>th</sup>. This is a tentative schedule and if the Forest Service can make it.

DNR budget was first quoted as it borrowed one million dollars from the Discover Pass revenue that appeared to be surplus but was not. The department did take a \$750,000 budget cut to general funds but not to the recreational program. Which means the biennium budget for the 2019-2021 seems to be roughly the same staffing level.

It is unclear when the questionnaire for Juniper Dunes closes, so if you can get your voice in for the recreational area, it would be appreciated. Be sure to remember that there are the meetings in July at the Kennewick Red Lion in regard to the Juniper Dunes. The dates are July 22<sup>nd</sup> from 5:30pm to 8:30pm and on July 23<sup>rd</sup> from 9am to 1pm. As this is the last local place for four-wheel drive recreation it is advised to attend the meetings. The new road to Juniper is to be hopefully done by July 4<sup>th</sup>. People are using the new road and creating issues to get it finished. If they can stay off of it then hopefully it will get finished. John Thompson was appointed to the Resource Advisory Council (RAC) for the term of 3 years.

It is advised that members read the Board of Directors minutes from the conference call done in June. There is good information in there.

Quill Power/ Letter writing: Most of the comment periods for any government agencies are done electronically now, so sign up for as many newsletters as possible in your area. Get onto areas such as Gifford Pinchot National Forest email, Wallowa Whitman National Forest, etc.

Membership: No new members at this time.

Public Relations: No news from Jim Hall

Jr Jeepers: Position is still open.

Old Business: Members are encouraged to read the Board of Directors minutes from the June meeting.

Liberty work party was May 18<sup>th</sup> to Memorial Day. Hurtin Units and Wazuks did trails 328 and 329 from the Teanaway side.

Lots of downed trees were cleared with 2 saws running all day. Lots of big trees this year. Michelle Capp and Dale Neuman drove a Jeep around the trails to proposed

changes to the trails and possible trail maintenance. Billy Goat Gulch has been agreed upon by all parties.

Simon Equipment Operator for trail 328 we have money in the budget for it but was advised to go for grants before using up our money. More affirmation classes need to be done with oncoming personnel so there is better communication.

New Business: Fire at Saddle mountain has closed many recreational areas until further notice such as Beverly Dunes and Crab Creek.

Ron Rutherford attended the first official meeting for Taneum in 6 years. It was a 4-hour meeting. Ron announced he had retired for monthly meetings on motorized so if someone would like to take over please contact him.

Gary Lease has stated that on the 1600 road someone is dropping rocks in front of culverts to create blockages to wash out roads. These are not small rocks but large ones. Also, on one culvert there were chop marks which showed clear vandalism to create washouts.

MILK Creek work party and reroute is being held June 27<sup>th</sup> and 28<sup>th</sup>. There will be an 8 am meeting Saturday at camp and then out work. Quiet time is after 10pm.

Pamela Mae is still looking for help for Pick Up A Mountain. She has moved from the area to take a new job on the west side so she really could use some one. She needs someone to shadow her this year as she will not be chairing the event next year.

This puts the event in jeopardy and can possibly cause the event not to happen next year. This is a Region 4 event and not just a one club event. Sand Commandos will be doing the breakfast again this year but need help to get prizes and games going. The park has already been taken care along with kid's games.

#### Club Reports:

Jeepin Nomads: Went camping at Ahtanum and brought out 3 bags of garbage. Some went to watch the competition.

Desert Rats: Earl and Sande Nettnin went to Liberty Work Party. They will be helping with the sprint boat launching at St. John again this year. Also, in conjunction with Peak Putters they are helping with cruise control at Cool Desert Nights.

Nitty Gritty: Helped 1 day at the Liberty Work Party. A Father's Day run is in the works at an unknown location and just working on racing rigs.

Shindig Wheelers: Helped with the Selah Community Days parade. Club went to Liberty Work Party and some went to Toppenish for the races. A Father's Day run to Rimrock is in the works along with a 4<sup>th</sup> of July get together.

High Country Cruisers: Dale and Diane Neuman went to Liberty Work Party and plan to be at the Milk Creek work party.

Trail Seekers: 3 of them went to Liberty Work Party. On last weekend opened road between Beehive and Liberty half way up to Mission Ridge. 312 trails cleaned up and cleared of dead falls. Going to Milk Creek work party and Skip will be trail host again at Trail Jam.

The next meeting is supposed to be July 9<sup>th</sup> in Wenatchee but as most of the clubs are at Trail Jam, we may have to move the meeting. Input is appreciated in regard to this. Please contact John Thompson by email at [pnwregion4@gmail.com](mailto:pnwregion4@gmail.com) (<mailto:pnwregion4@gmail.com>) or 509-380-1443 with your thoughts on this. Lynn Kirk had back surgery and seems to be doing well.

John Thompson did let everyone know at this time he will be stepping down from his directorship at the end of his term.

Meeting was adjourned at 9pm.

#### Region 6 Meeting Minutes

May 25, 2019

Jason Real Region 6 Director [thejasonreal@gmail.com](mailto:thejasonreal@gmail.com)

Meeting was called to order with the Pledge of Allegiance read.

Moment of Silence dedicated to Laurence (Larry) Derek Berry August 28, 1955 – April 16, 2019 a recent loss for Strawberry Hill. Our thoughts and prayers are directed to you and the family. His great smile and Bronco always a welcoming sight.

The Mission Statement <https://www.pnw4wda.org/> was read

Hosting Club Statements were made by David Mauer [dmnovaks@hotmail.com](mailto:dmnovaks@hotmail.com) Oregon's Executive Director and Randell Drake [jrmdrake@msn.com](mailto:jrmdrake@msn.com) Deschutes County 4 Wheeler's Delegate at large. Thank you's to the volunteers on the morning clean up were extended and an invitation to the BBQ and potluck hosted by dc4w's were offered. The Fun Run 'poker style' event invitation was made.

Guests included but not limited to Jerry Lewis of Lakeview, Nathan White and his wonderful family from Idaho's 4X4 community, many non-associated (who choose to remain nameless) sand dune enthusiasts and Jason Rains Lake County Sheriff, Shane Lakeview Bureau of Land Management Recreation Planner and his associates.

Minutes of the November Delegates Meeting were accepted as written. Virgle Osborn made the motion with Mark Atherton's 2nd.

Treasures' Report by Larry East was accepted with Ann Haak's motion and Alaric Crandall's 2nd.

Oregon State Director's Report & South-Central Oregon's Land Issue's David Mauer dmnovaks@hotmail.com The Ochoco's are still an issue with Paul Turke addressing the litigations and trying to rally the government. The Summit Prairie OHV Area will bring law enforcement, OHV funding for toilets and staging areas and trail signages. The locals are currently opposed and are using the lands as their trails but discouraging others. The Oregon State Hunters Association also are protesting the already planned and processed area. Much is at stake.

Search and Rescue Virgle Osborne reported on a non-profit start up to help fund Douglas County's volunteer crews. Virgle and his co-volunteers spent much of their time and personal rigs and rigging rescuing and assisting snowed in elders and families over last winter's storms. Virgle and his volunteers have furthered awareness of why SAR and who are SAR. The volunteers are reaching out to the elementary students with, "Bullying is not okay, and it is okay to do something about it." They hope to reach the community with kindness and respect.

Competition Chairman Tony Arneson was unanimously elected.

Creek n' Trail Chairman & Land Issues Southeast Larry East reported on the new owners at O'Brien Oregon's store and gas station and parking/camping stop off are refusing to allow camps or parking of our rigs and trailers. The restaurant across the street 'McGrew's Restaurant & Lounge Bar & Pub' 33105 Redwood Hwy, Obrien, OR 97534 has offered their lot to the paid entries. For great Prime Rib it's the best!!!

Assignments for dinner cook, trailering in the camp equipment and lookouts were discussed. Toilet repair by the Roach brothers were made and appreciated.

Land Issues Eastern Oregon's Dan Haak reiterated the damage a win for OHA and the environmentalists would harm current and future OHV areas.

Land Issues Central Oregon's Randy Drake gave us an update on the monies Region 6 had dedicated for Rim Butte Jeep Trail's roads into staging areas. The work is slated for early spring rainy season and late winter's melt off. A miracle of heavy equipment, perfect conditions and USFS permitting and manpower coupled with volunteers would be appreciated. Santiam's Willamette NF has OHV funding and plans for maintenance on the Quack Attack trails if anyone wishes to be involved get in touch with WNF.

Membership Update from Corey Shelton brought on more discussion of interested groups of Side by Sides and Class 4 users. General Consensus was we could use their

participation in spreading the word to new users about trail etiquette and why we are losing the battle for designated trail systems.

Land Issues Southwest by Alan Paulson was a nothing new on the Indian lands swap. Interest by all parties are not lessening.

Winter Convention 2020 Randell Drake jrmdrake@msn.com and Becky Goulet rrgoulet@charter.net the planning is going right along. Clubs please consider attending and bringing raffle prizes for the banquet. This is an Oregon Convention let's make it memorable for all. Games need to be planned for Friday night's meet and greeting time. Twin Peaks <https://www.facebook.com/TwinPeaksOffRoad/> has donated a winch for the event. Look for an application in your Tri-Power or online at <https://www.pnw4wda.org/>

Ways and Means our Ami Ameson is on it for Creek n' Trail with cups, stickers and growlers ordered.

Old Business clean up run, topless run: Rev-Limiters Clean Up of the river was a huge community attended event. Many good things came of the volunteer's efforts. The outhouses at McGrew are slated to be attacked by Ron and Steve Roach. Dan Haak volunteered any lumber they may need.

New Business Fall Delegates 9 AM September 14, 2019 hosted by Region 3 at the Moose in

Longview Washington. [https://www.pnw4wda.org/Tri-Power/2019-\(3\)-Mar/Mar-2019.pdf](https://www.pnw4wda.org/Tri-Power/2019-(3)-Mar/Mar-2019.pdf)  
Please attend as a delegate for your club. Oregon doesn't have to be the silent partner. Please join us in Longview to know what your organization is doing.

July 13 Delegate's meeting at Brookings camping on the Chetco. Jason Real thejasonreal@gmail.com or Ami Ameson for information.

Groundhog Rock Crawl June 29th spectators \$10 or \$20 a carload with competitors \$75 the day of. Trigger Happy Guns <https://www.triggerhappygunsoregon.com/> of Bend Oregon has donated an AR15.

Go Top Less event brought in \$1500 with the help of X-treme 4X4 which was matched by 4-Runners of Klamath Falls. Lots of new folks and lots of old friends meeting up and getting things done.

Club Roll Call: Jason encourages Region 6 clubs to plan an event that will fund club activities.

Shane Recreation Planner from Lakeview Bureau of Land Management thanked us for our efforts. He asks of us to reach out to him with our needs or wants for the area. He is here to support us.

Jason Rains of Lake County Sheriff Department asks us also if we need anything let him know. He appreciates the opposing factor of our just being there and enjoying our public lands. Jason encourages us to reach out to other 4x4 users with invitations to join our clubs and the PNW4WDA. Recruitment needs a bump up as we face down the environmental community of anti-access groups.

Four Runners <https://www.facebook.com/fourrunners.klamathfalls/> Dave Mauer gave an update of club functions like the Go Top Less event. Their local Jeep dealer Lithia and the board are planning a Meet and Greet. Reaching out to their community while having a bit of fun.

Timber Cruisers' <https://www.facebook.com/umpquavalleytimbercruisers/> Mark Tucker updated us with the Looking Glass Fund Raiser Cleanup. This has become a great annual event. The club is planning a July 4th campout. And Harlan White's 'Doc's Jeep Work Party' was also a great success.

X-Treme Off Roaders <https://www.facebook.com/groups/xtremeoffroaders/> Virgle Osborne reported a run in the planning for Tillamook and the club's monthly runs.

High Country Four Wheelers <https://www.facebook.com/highcountry.fourwheelers> 's Alaric Crandall gave us an update on their club since the loss of a prime member. Jared Brewster was a great friend to Alaric and to the club. He is missed still. The club carries on participating in the local parades and helping build Rim Butte Jeep Trails. They are in the works planning the November Delegate Meeting.

Strawberry Hill Four Wheelers <https://www.facebook.com/groups/306591403036124/> Paul Norman reported on new members and the 'Adopt a Highway' project. The snowstorm rescues and runs to the beach dunes. September's Riley Ranch Delegate Meeting is in the works and you best hurry for your reservation to the OHV Coos County park.

Deschutes County 4 Wheelers' <https://www.facebook.com/dc4ws/> Aaron Duccini gave a report of monthly runs, efforts to put Groundhog #13 on and the AR 15 donated for the raffle at Groundhog.

Harney County High Desert Wheelers reported on the upcoming need for volunteers on the run on Sunday. The Moab Easter Jeep Safari and the Bureau of Land Management. The last 'Good of the order':

Delegates Meeting Brookings July 13th Rev-Limiters hosting

Delegates Meeting September 21st BBQ Potluck Riley Ranch on Oregon Coastal Beach Dunes Strawberry Hill hosting

Delegates Meeting November 16th BBQ Potluck Lakeview Area hosted by High Country 4-Wheelers and Four Runners of Klamath Falls

Oregon State Directors Report

Bad ending for the PNW/BRC Ochoco Lawsuit...

I was informed by Paul Turcke (our BRC Lawyer) that the U.S. Forest Service will not be pursuing its appeal in the District Court decision. As of June, 11<sup>th</sup>, the Government will be filing a motion to voluntarily dismiss. I next question is "can we appeal on our own?" No, would be the answer...between losing the backing of the Government and the decision by the Environmentalists to also dismiss the case. It would be throwing good money trying to pursue this appeal. Paul has already received a response from the Ochoco Trail Riders to dismiss the appeal. Several Region 6 Members in conjunction with BRC will be having an upcoming group phone call to ask questions and to make the final decision on dropping the appeal.

Continued progress on the Class II 3 Trails OHV Project...

Four Runners of Klamath Falls and Sara Baughman of U.S.F.S. COHVOPS have reached a date to meet on the beginning of laying out the structure/obstacles for the 3 Trails/Walker Mountain Class II Trail system. June 29<sup>th</sup> is the date for the Region 6 Club to begin the on-site process to advise the COHVOPS team on what it will take to design a worthwhile Jeep trail.

David Mauer, Oregon State Director

I

Is that Gatorade Spilling? Trail Fix!!- Washington State Director Lisa Chissus  
While on the Quadrapaw Fun Run at Tahuya, our guest had the misfortune of dripping a yellow/green substance from beneath his ride. Fortunately, he was running with the Hombres who were equipped to deal with this. Our leak kit that was given to me at Trail Jamboree included the pads, gloves, and garbage bag needed to responsibly clean up this leak. It was my mistake to lay down the white pad for a water-based liquid and instead of the gray one. Thanks to Logan for explaining the pads to me and for helping to clean this up. Here is what caused the leak. The new 4 core radiator did not allow for enough clearance from the fan blade. There was enough flex from riding on the trail to cause that fan blade to tear right into the radiator core. I also suggested that when he replace this radiator, he should include a fan shroud as well.

The fan shroud will help the fan to pull through the radiator core rather than from the engine compartment. Airflow is like a river, it will follow the path of least resistance. You should also make sure you have at 1" from the tip of the fan to the shroud & from the front of the fan blade. Also make sure there is ½" behind from all components including your belts. The sweet spot for the fan is half way in your fan shroud without compromising the required clearances. Our guest may have wondered why a blonde lady would know so much about engine cooling, but he didn't know that my grandfather invented the first flexible fan blade!

Competition Report- Steve Zentner

Hello everyone -

On May 3, 4, and 5 we had our annual work party at the Ethel Events Center. Over forty people came out to help us prepare for the 2019 play day season. As most of you know - the landowners have asked for improved safety features this year. Here's a few of the things we accomplished:

- 1) The drag strip was moved to the west end of the property. No longer will we have to worry about spectators crowding an active drag course.
- 2) The course barrels were painted
- 3) Four new water lines were installed to add cool down areas as well as options to run sprinklers on the barrel course.
- 4) An additional one hundred feet of safety fence was added between the track and the spectator area.
- 5) General brush hogging and ground cleanup was performed.
- 6) The spectator area was moved back from the track.
- 7) The camping area was expanded
- 8) All barb wire fences were removed as the old drag strip was decommissioned.
- 9) Over 100 ecology blocks were purchased and placed to create a safety barrier for spectators.

Thanks to all who contributed to a very successful weekend. A special thank you to Don Palmer who not only donated his equipment but stayed until Monday to make sure the drag strip was ready for the grader.

PNW4WDA BOARD OF DIRECTORS

## Conference Call

June 5th 2019

President Kyle Wiebold (Push & Pulls, Our Gang Offroad, Vancouver 4-Wheelers, Sand Fleas, and RPM Racing) called the meeting to order at 6:40 PM. The Pledge of Allegiance was recited. Kyle asked that we remember Steve Zentner (RPM Racing and Push and Pulls) who had knee surgery yesterday and Terry McClure (Vancouver 4-Wheelers) who had a heart attack. The secretary will send cards to them.

Roll Call: The following called in for the meeting: President Kyle Wiebold, Secretary Sande Nettnin (Desert Rats); Treasurer Dave McMains (The Hurtin Units); Membership Chairman & Region 3 Director Kristin Smith (Hubs in 4-Wheelers, Flat Broke & 4-Wheelin', and Sand Fleas); WA Executive Director Lisa Chissus (The Hombres); Inter Association Directors (IAD) #1 & #2 Don and Carol Jensen (Sand Fleas and Individual Members Club); Region 2 Director Brandon Marek (Renegade 4X4); Region 7 Director Jeff Williams (Spokane 4-Wheelers); We Did It/Club Power/Quill Power Angela Holm (Happy Campers); Safety Education Rob Stafford (Cascade 4X4's, Overbored Racing and County Line Offroaders); Trail Jamboree Chairman Teresa Kosel (Spanaway Moonshiners); Web Master Rich Holm (Happy Campers); Sponsorship Chairman Angie Marek (Spanaway Moonshiners); Tri-Power Nichol Phillips (Cascade 4X4's and El Dorado Dust Devils); Region 4 Vice Director Skip Frans (Cascade 4X4's and Trail Seekers).

The following Board members did not call in: Oregon Executive Director David Mauer (Four Runners of Klamath Falls); Competition Chairman Steve Zentner; Region 1 Director Dave Taylor (Outdoor 4X4's); Region 4 Director John Thompson (Midnite Mudders); Region 6 Director Jason Real (Deschutes County 4-Wheelers and Four Runners of Klamath Falls); PR Chairman Heather Smetzler (RPM Racing); and Ways and Means Chairman Tiffany Morris (County Line Offroaders).

President Statement: Kyle said he didn't have a lot to talk about. He stressed the importance of everyone sending in their reports. The purpose of the teleconference meeting is so that the reports can be read prior to the meeting and if you have questions, they can be brought up, so we don't have to spend a lot of time going over your report that you didn't write.

Minutes: Carol Jensen made a motion seconded by Dave McMains that we approve the minutes from the March 9, 2019 Board meeting; motion carried.

Treasurer's report - Dave McMains had a written report. A few questions were asked about the report. Dave said he would like to know if anyone was going to have a major expense so he would know ahead of time. He also said if your position has a bank card and you use it, he would like to have your receipt and the invoice along with it right away. Dave asked Teresa Kosel to let him know when she starts spending money for Trail Jamboree so he can transfer funds. Dave also said when you submit your paperwork for reimbursement please include receipts.

Membership - Kristin Smith had a written report. She said she had reinstated a club from Region 6. Lisa Chissus asked if Kristin could include in her report if our numbers were up or down since her last report. We have a new club in Region 3 also. We need to be able to say how many members we have when we attend meetings with land commissioners etc. A question was asked who does the Associate Members billing, no one seemed to know, so Kristin will look into this.

Secretary - Sande Nettnin had a written report. Sande said she had not seen where the Scholarship letters had been printed in Tri-Power. Nichol said she had put them on the PNW page on the Web site.

#### State Director's Reports

Idaho - no report

Oregon - David Mauer OR State Executive Director was not on the call and did not submit a written report. Kyle said he received an email from Dave stating that he had sent a report in last week (Sande did not receive anything from him). Dave said this last month has been very busy with club events every weekend. They are preparing for Creek & Trail next weekend. He said to say Hi to everyone and thanks to Kristin - she will know what that means.

Washington - Lisa Chissus WA State Executive Director had a written report. Lisa reported that she has purchased 4 table cloths for us to use promoting our association at events. Lisa asked for approval of the Trail Counter Request Form that everyone received a copy of. Dave McMains made a motion seconded by Sande

Nett nin that we approve the form and have Rich Holm post it in the SOP's on line; motion carried. Rich, please take care of doing this. Lisa has been meeting with Land Commissioners etc., so Lisa put together a new Who and What We Are, everyone should have received a copy of a couple ideas she had. We need something that will promote our organization. We should also include what the benefits in belonging are. Discussion followed and Brandon Marek made a motion seconded by Dave McMains that we use the smaller one with the changes discussed; motion carried. Nichol Phillips has a printer all lined up so she will have 1000 printed. Lisa said Operation Shore Patrol (OSP) and

Pick Up a Mountain (PUAM) have both been officially Trade Marked. She would like to have a meeting with the regions to see what worked well and what didn't for these activities to help draw more attendance at them. Lisa said she would like to have everyone who is in charge as well as ones who previously were in charge to come to her home for lunch; she will work on setting a date for this. Our Trail Jamboree permit with the Forest Service expires in 2020 so she is working with Teresa on this, Ron Rutherford (Jeeping Nomads) has also agreed to help. However, she is having trouble getting the person in charge of permits at the ranger station to respond. Dave McMains said contact the District Ranger and let her know he is not responding to you.

Angie Marek asked what if anything has happened with the Operation Shore Patrol and Jeeping Long Beach that had been discussed at the March Board Meeting, Kristin said she had a phone message from John Thompson asking her to call him and she said she has called him every day since he left that message and has not been able to reach him. Kristin said they had received information that now they have to get a permit and provide insurance. So as a region they are discussing this. Kyle said at the March Board meeting John was told he had to pick a different weekend, but John has gone ahead and put it back out there that he's having it again at the same time and location. Angie Marek asked if Region 4 had discussed this with John and Skip Frans Region 4 Vice Director said the only discussion was on what the board had told John at the March meeting, and he is aware that it's against PNW policy. Skip said he will be at PUAM. Kyle said he had made it pretty clear at the March Board meeting that he needed to work with Region 3, and he thought it was going to happen. Angie said she had told him when she was President that she liked the idea of his event, but he would have to pick another weekend or work with Region 3 to help enhance the event. Since John is doing this as an individual and not using PNW insurance we can't do

much about it. This is a great PR event, but we need to remember not to schedule events on top of each other. Don Jensen said Region 3 needs to decide if they are going to continue doing the beach cleanup. Don said he had talked to a couple of state legislators and they said the thing that's going on at Long Beach is a money grab by parks. Don said what if we do what we want to do and then go down as individuals to clean the beach, answer that's a good way to get around the permit. Don said he's done this for 44 years and would hate to give it up. Discussion about the permit followed. Kyle said this is something that should be worked on at a region level not a board level.

IAD#1 & #2 Don and Carol Jensen had a written report. Nichol Phillips is representing us on Washington Off Highway Vehicle Alliance (WOHVA). Angie Marek represents us on National Off Highway Vehicle Conservation Council (NOHVCC) their annual meeting is in Reno in mid-October. Don said you might hear that some things are going on with North American Motorized Recreation Council (NAMRC); there is a group that is trying to take it over. Don said its kind of up in the air as to which way it's going to fall. No further information is available on this. The users that belong to NAMRC are going to have to step up and make it perfectly clear this is a user driven group not a Blue-Ribbon organization.

Competition - Steve Zentner had a written report; however, he did not call in as he had knee surgery yesterday. The Ethel track looks great, work party was a success, new competition lights are here, and the COMP book has been updated.

#### Region Reports

Region 1 Director Dave Taylor did not call in or submit a written report.

Region 2 Director Brandon Marek did not have a written report, but he said Region 2 hosted an Elbe work party with Department of National Resources (DNR) last month and it was a success. They have their Fun Run on the Naches Trail August 10<sup>th</sup>.

Region 3 Director Kristin Smith had a written report. She said the Jolly Jeeps are having an event July 20 & 21 and she would make sure it's in Tri-Power.

Region 4 Director John Thompson did not call in but had a written report. There will be a work party to do a reroute on the Milk Creek Trail June 28-30; camping at the Naches Forest Service Work Center on HWY 410, Region 4 has paid for Port-a-Potties.

Region 5 - Open - no report

Region 6 Director Jason Real did not call in or submit a written report.

Region 7 Director Jeff Williams did not submit a written report, but he said North Idaho Trail Blazers were working with North Idaho land management, the Pinehurst Mayer and some others and Jeff will try to get his foot in there to get the new ORV Park set up. It's good sized acres-mainly trails.

Region 8 - Open -no report.

#### Appointed Positions

Club Power/We Did It/Quill Power - Angela Holm had a written report. She said she is not getting much information.

Sponsorship - Angie Marek had written report. Angie said she plans to go out and get some new sponsors and she needs contacts, if you know anyone who might be interested in becoming a sponsor let her know. Angie contacted a gentleman from Oil Eaters, he shipped 250 bottles of Oil Eater for the spill kits at Trail Jamboree.

PR - Heather Smetzler did not call in or submit a written report. She had a softball game tonight.

Safety Education - Rob Stafford did not have a written report. He said he had taken an 8-hour class last weekend on High Lift Jack operations and he said he didn't know the tool could be used in that many operations. He will be working on doing an article for Tri-Power. Rob is working with 2 of the trainers from the International 4-Wheel Drive Trainers Association and will have 2 instructors at Trail Jamboree this year to do a Winching Seminar and a High Lift Jack Seminar in the evenings and they also will do a 101 run on Saturday with some very good basic training.

Trail Jamboree - Teresa Kosel did not have a written report, but she said so far over 100 participants have signed up. The Hosts are all signed up, Tech is covered, she has a gate host but isn't sure it's going to work out so if you would like to do that let her know. She has received 176 pre-orders for t-shirts and sweatshirts and will have extra ones available. She needs raffle and door prizes. She said so far, we have 296 adults and 12 children ages 11-15 and 23 children ages 10 and under. We have a band for Saturday night and a DJ the rest of the time. Also, this year we will have a dunk tank.

Ways & Means Tiffany Morris did not call in or submit a written report.

Web Master Rich Holm had a written report. He said he had nothing new to add.

Tri-Power Nichol Phillips had a written report. Nichol said we had a 28.9 open read of the Tri-Power which is the highest so far; we had one unsubscribe. Nichol said that after several months she was able to get a vendor to print and mail 55 Tri-Powers for \$200 a month. Angie Marek said she was unable to get email addresses for the Board from the officers list in Tri-Power. We need to have that information available for everyone Nichol said our news letters are way too long, that needs to change. Discussion followed and Lisa Chissus made a motion seconded by Brandon Marek that we allow a reoccurring charge of \$200 on our credit card for the monthly printing of Tri-Power; motion carried. Nichol said when you post an event on Facebook, please put the PNW Logo on your flyer, she asked the Region Directors to take this back to your regions and ask that they do this. Nichol is working on a packet that has branding guidelines; so when you are putting on an event you should have a,b,c etc.

in place. President Kyle said the 1-800 number will not transfer to him because he doesn't live in a 800 free area, so please use his home phone number, he asked Rich to fix that on the Web Site and Nichol please fix that in Tri-Power.

Video Chairman Don Jensen, said not a lot has been happening, most everyone goes to U-Tube.

Insurance - Carol Jensen said the policies are all out except the Moonshiners Swap Meet as it's pretty early. Carol said she is having trouble with people sending their information to Brandon not her.

Old Business

Action Items - most have already been handled. Trail Counter form; Who and What We Are; COMP book updated; current membership; sponsorship update and Tri-Power issues. That leaves:

By-Law proposal to do away with prorating dues, discussion followed, and another By-Law was suggested that would raise our dues. After much discussion it was decided to bring up both of these at Fall Delegates and see what the delegates would like to do, before submitting a By-Law change. Tom Fisher submitted a By-Law that would increase

the term of officers from one year to two years. This is the only By-Law that will be voted on at Fall Delegates. Nichol please see that this is printed in Tri-Power for two months prior to Fall Delegates. President Kyle is working on a design for the 60<sup>th</sup> Anniversary pin and will have a picture available at Fall Delegates for approval.

#### New Business

President Kyle reminded everyone that all board elected and appointed remember that all members are to receive and be eligible to have the same benefits as every other member and we cannot use our position or power to withhold information from them, whether we like them or not.

Carol Jensen asked if we might consider having a face to face meeting for our June Board meetings again. Kyle said he would like to see face to face meetings too. Discussion followed and no decision was reached.

Dave McMains said Diane Priebe with Bureau Of Land Management (BLM) emailed him asking him to announce that Saddle Mountain Sand Dunes at Beverly is closed due to the wild fires, it seems everything that could burn did.

Carol asked when we need funds, who do we talk to; the President, PR, Treasurer, Ways and Means? Answer – Dave said talk to the President and have him get a hold of him. Carol said she has some expense for patches, so she wanted to be sure.

Don Jensen said he checked the By-Laws and we are good with the plans we have regarding the By-Law proposals we want to make.

#### Future Board and Delegates meetings/Activities

1. July 10-14, 2019 Trail Jamboree at Jim Sprick Park in Naches
2. August 16-18, 2019 Summer Convention hosted by County Line Offroaders
3. September 14, 2019 Fall Delegates hosted by Region 3 at the Moose in Longview
4. September 20-22, 2019 Pick Up A Mountain hosted by Region 4 at Jim Sprick Park in Naches
5. September 20-22, 2019 Operation Shore Patrol in Long Beach, Ocean Shores and Westport
6. September 28, 2019 NW Offroad Expo

7. December 7, 2019 Board meeting hosted by Region 3 in Longview at the Moose
8. February 7-9, 2020 Winter Convention hosted by Region 6 in Newport, OR

President Kyle thanked everyone for calling in and wished all a good night.

Hearing no more group gripe or monkey business the meeting adjourned at 9:04 PM.

Respectfully Submitted,

Sande Nettnin, PNW4WDA
